

Nutritionist

The Nutritionist will advise our Liposuction patients about how to control and maintain weight loss and to achieve a healthy lifestyle. More specifically, the responsibilities of the Nutritionist are as follows:

- 1) Assess patients' and clients' health needs and diet.
- 2) Counsel patients on nutrition issues and healthy eating habits.
- 3) Develop meal plans, taking both cost and clients' preferences into account.
- 4) Evaluate the effects of meal plans and change the plans as needed.
- 5) Promote better nutrition by speaking to groups about diet, nutrition, and the relationship between good eating habits and preventing or managing specific diseases.
- 6) Keep up with the latest nutritional science research.
- 7) Write reports to document patient progress.

Requires Bachelors in Nutrition plus minimum 2 years' experience in job offered. Hours: 40/week. Salary: \$30,867.00 per year.

Please apply by resume only to:
